

Data Sheet

## Constellation.2<sup>™</sup>

## Design Small and Deliver BIG — 2.5 Inch, Eco-Friendly Nearline Drive

#### **Key Advantages**

- Second generation of the first 2.5 inch, mainstream capacity, 15mm z-height, nearline drive for space-constrained data centres
- Choose 6Gb/s SAS for data integrity, scalability and fast data access, or SATA 6Gb/s for fast, economical Tier-2/nearline performance
- The industry's most reliable 7,200 RPM drive, designed for 24×7 operation with an MTBF of 1.4M hours and an AFR of 0.62%
- Enterprise-class firmware and best-in-class rotational vibration tolerance maximise system availability and performance
- Lowest operating power (under 6.4W) and enhanced PowerChoice™ options for additional power savings during slow or idling periods; Workload Management™ technology helps systems to keep drives cool
- Self-Encrypting Drive (SED) option (AES-256) cuts IT drive retirement costs while protecting data securely where it lives on the drive<sup>1</sup>
- FIPS 140-2 Validated<sup>™</sup> drives protect data classed as Sensitive but Unclassified and Protected<sup>1,2</sup>

#### **Best-fit Applications**

- Storage-hungry business applications
- Storage area networks (SAN) and network attached storage (NAS)
- · Maximum-capacity servers and blade servers
- Rich media content storage
- Enterprise backup and restore D2D, virtual tape
- Cloud computing
- <sup>1</sup> Self-Encrypting Drives (SED) and FIPS 140-2 Validated drives are not available in all models or countries; may require TCG-compliant host or controller support. <sup>2</sup> See FIPS 140-2 Level 2 Certificate at http://csrc.nist.gov/groups/STM/cmvp/

One gigabyte, or GB, equals one billion bytes; and one terabyte, or TB, equals one trillion bytes when referring to drive capacity.
<sup>2</sup> Self-Encrypting Drives (SED) and FIPS 140-2 Validated drives are not available in all models or countries;
may require TCG-compliant host or controller support.
See FIPS 140-2 Level 2 Certificate at http://csrc.nist.gov/groups/STM/cmvp/documents/140-1/1401val2011.htm#1635
\* Nearline products shipped between 31 December 2011 and 30 June 2012 have a 3-year limited warranty. Nearline products shipped between 31 December 2011 and 30 June 2012 have a 3-year limited warranty.
\* Based on 1TB capacity model.
\* These base deck dimensions conform to the Small Form Eactor Standard (SFF-8201) found at www.sffcommittee.org.

These base deck dimensions conform to the Small Form Factor Standard (SFF-8201) found at www.sffcommittee.org. For connector-related dimensions, see SFF-8223.
