

# FreeAgent<sup>™</sup> Desk

## EXTERNAL DRIVE

USB 2.0: 500 GB, 640 GB, 1 TB, 1.5 TB

### Perfect for when you need to:

- Store and protect all your photos, music, videos and other files easily in one convenient place
- Back up your data automatically
- Guard the privacy of your important files and folders
- Sync your content between the FreeAgent Desk drive and other portable drives
- Get your storage solution up and running quickly

### Smart, sleek desktop solution for storage and safekeeping of all your photos, music, videos and more

Store all your photos, music, videos and documents with the powerful yet simple Seagate® FreeAgent Desk storage solution.

The FreeAgent Desk storage solution includes easy-to-use software that helps guard the safety and privacy of your information with automatic back-up and encryption of important files and folders. Environmentally smart utilities help save energy by putting your FreeAgent drive into sleep mode once it has been idle for 15 minutes. Its design is sleek and modern, so you can take advantage of its flexibility to lie on its side or stand upright to maximise your workspace.

Count on the FreeAgent Desk storage solution to store and safeguard everything on your PC - and to look really good doing it.

### Highlights

- Store all your photos, music, videos and documents conveniently in one place thanks to large storage capacities of 500 GB, 640 GB, 1 TB and 1.5 TB
- Enjoy a sleek, modern design that offers the choice of horizontal or vertical orientation to complement your desktop environment
- Protect your data easily with automatic back-up software
- Guard the privacy of your important files and folders with powerful software encryption technology
- Sync content between your FreeAgent Desk drive and other portable drives so that, wherever you are, you'll always have your current file versions with you
- Experience fast data transfer with a USB 2.0 interface
- Get started quickly with preloaded software. No CDs!
- Save energy with an environmentally smart utility that can put your drive into sleep mode when it has been idle for 15 minutes
- Enjoy peace of mind with a 5-year limited warranty from the worldwide leader in storage solutions
