

FreeAgent[™] | XTreme

EXTERNAL DRIVE

USB 2.0, FireWire 400, eSATA: 500 GB, 640 GB, 1 TB, 1.5 TB

Perfect for when you need to:

- Access very large files quickly and frequently
- Store all your photos, music, videos and other files easily in one safe convenient place
- Back up your data automatically
- Guard the privacy of your important files and folders
- Sync your content between the FreeAgent Desk drive and other portable drives
- Get your storage solution up and running quickly

Sleek, high-capacity desktop storage with blazing-fast data transfer

With its huge capacity and the fastest file transfer speeds today, the Seagate® FreeAgent XTreme storage solution helps you safeguard all your photos, music, videos, and documents easily and access them with maximum performance. Included easy-to-use software helps keep your information safe and private with automatic data back-up and encryption of your important files and folders. Environmentally smart utilities help save energy by putting your FreeAgent drive into sleep mode when it has been idle for 15 minutes. And you can take advantage of its flexibility to lie on its side or stand upright to maximise your workspace.

Count on the FreeAgent XTreme storage solution for quick access to very large files, added protection for all your content - and to look really good on your desk.

Highlights

- Store all your photos, music, videos and documents conveniently in one place thanks to large storage capacities of 500 GB, 640 GB, 1 TB and 1.5 TB
- Experience blazingly fast data transfer thanks to eSATA, USB 2.0 and FireWire 400 interfaces
- Enjoy a sleek, modern design that offers the choice of horizontal or vertical orientation to complement your desktop environment
- Protect your data easily with automatic back-up software
- Guard the privacy of your important files and folders with powerful software encryption technology
- Sync content between your FreeAgent XTreme drive and other portable drives so that, wherever you are, you will always have your current file versions with you
- Get started quickly with preloaded software. No CDs!
- Save energy with an environmentally smart utility that can put your drive into sleep mode once it has been idle for 15 minutes
- Enjoy peace of mind with a 5-year limited warranty from the worldwide leader in storage solutions
