Consumer Electronics 2.5 Inch Hard Drives	EE25, LD25.2	\$1.15
Consumer Electronics 3.5 Inch Hard Drives	DB35, SV35	\$1.15

To calculate the cost of the non-returned drive fee, determine the device type and multiply the capacity by the price per gigabyte (GB)

Example -> Barracuda 500 GB \* \$0.56 = \$280.00 USD

**\*ARO (Advance Replacement Option) is currently an option only available for warranty returns in the United States**
