# Rugged USB-C

Take ideas further with legendary durability and trusted performance

Data Sheet

## The iconic tough drive for creative explorers

LaCie Rugged USB-C is made for creative exploration in every sense, trusted by creators in the field, on set and on-the-move. Military-grade drop resistance, hardware encryption, password protection and Rescue Data Recovery Services safeguard valuable work, while broad USB-C compatibility keeps workflows moving. Designed with at least 25% recycled materials, it keeps the world it travels through in mind.

## Key features:

- Built-in 256-bit AES hardware encryption and password protection help keep sensitive files secure if your drive gets lost or stolen.
- Built tough with military-grade drop resistance — MIL-STD-810F tested for drops up to 4 ft (1.2 m), helping protect creative work in demanding field environments.
- IP52-rated dust and drip protection, plus 1-ton crush resistance, adds protection for demanding conditions in the field.
- Includes complementary Rescue Data Recovery Services [1] and a 3-year limited warranty for added protection when the unexpected happens.
- Store up to 5TB of high-resolution photos, video, audio and project files on a compact portable external hard drive.
- A USB 3.2 interface makes it easy to back up and transfer large creative files.
- Broad USB-C compatibility supports creative workflows across Mac, Windows and supported USB-C iPad devices.

1 Rescue Data Recovery Services not available in all countries.
