

LACIE MOBILE DRIVE SECURE

EXTERNAL PORTABLE HARD DRIVE
Data Sheet

The Ultimate Sleek and Secure Storage

LaCie Mobile Drive Secure is the nexus of portability, capacity, and security. Encased in a sleek Neil Poulton design, this product contains a minimum of 25% recycled materials (recycled plastic and aluminum measured by weight). Works with PC and Mac, with password protection that works with Mac OS and Windows. One-click or automatic backup makes file storage simple, and up to 5TB of capacity supplies room for photos, docs, and more.

- Works with PC and Mac out of the box.
- Back up files with a single click or schedule automatic backups.
- LaCie Mobile Drive Secure provides premium password protection that works with Mac OS and Windows.
- This product contains a minimum of 25% recycled materials (recycled plastic and aluminum measured by weight).
- Features a sleek and portable design by Neil Poulton.
- Enjoy long-term peace of mind with the included three-year limited warranty and three-year Rescue Data Recovery Services.
- Take advantage of a two-month trial to the Adobe[®] Creative Cloud Pro for access to awesome photo and video editing apps.
- Grab fast USB-C 130MB/s file transfers, backups, and image browsing.
- 5TB of capacity for collecting photos, playlists, docs, and more.
