

RUGGED® SSD PRO5

PROFESSIONAL THUNDERBOLT™

NVMe SSD SOLUTION

Data Sheet

The fastest scratch disk for creative professionals.

Meet the Rugged® SSD Pro5—the ultimate storage solution for creative professionals. With lightning-fast Thunderbolt 5 read/write speeds of up to 6700/5300MB/s, this IP68-rated SSD is ideal for real-time 6/8K video editing. Whether you're shooting in rugged mountain terrain, sandy deserts, or bustling urban environments, its durable design ensures you can tackle any creative challenge without missing a beat.

Key Advantages

- Experience ultra-fast read/write speeds up to 6700/5300MB/s with 50GB cache, streamlining your workflow and maximizing productivity for all creative projects. After cache, performance up to 6700MB/s read 1800MB/s write.
- Effortlessly edit real-time 8K/6K videos on your Thunderbolt 5 MacBook Pro or Mac Mini allowing you to focus on creativity without performance concerns.
- With an IP68 rating and resistance to water, dust, drops up to 3m, and pressure from a 2-ton vehicle¹, your data stays safe in any environment.
- Crafted for creators and the planet, the Rugged SSD Pro5 is built with at least 45% recycled materials, reducing environmental impact without compromising performance.
- Connect easily with Thunderbolt 5/4 and choose from 2TB or 4TB capacities to fit your specific storage needs.
- Enjoy peace of mind with a 5-year limited warranty, Rescue Data Recovery Services, and included Toolkit backup software.²
- Jumpstart your creativity with access to Adobe® Creative Cloud's industry-leading software, empowering you to explore new techniques and enhance your projects from day one.³
