SEAGATE

ONE TOUCH

Life-sized storage. Pocket-sized drive.

Data sheet

Compact, personal backup that goes where life takes you

Elegantly compact and thoughtfully designed around you, the One Touch portable external hard drive makes personal storage effortless. With fast USB-C connectivity, hardware encryption and intuitive backup tools in a premium portable drive, One Touch portable is reliable and durable enough for everyday use. Plus, complimentary trials with Adobe Creative Cloud Pro, Mylio and Synology Deep Search help you create more and rediscover your digital world wherever you are.

Key features:

- Premium, portable on-the-go backup that moves effortlessly with you between home, work or travel.
- Easy backup tools allow for a more refined way to store, organise and access what matters.
- Designed with a sleek, sophisticated finish and available in three stunning colorways.
- Built-in password protection with hardware encryption helps keep personal and work files safe, private and yours.
- USB-C simplicity makes connecting to modern devices feel quick, familiar and seamless.
- Includes complimentary trials with Adobe Creative Cloud Pro, Mylio and Synology Deep Search.
- Comes with Seagate Rescue Data Recovery Services [1], giving your files an extra layer of protection.

1 Rescue Data Recovery Services may not be available in all countries.
