DESKTOP DRIVE  
Data Sheet

## High-capacity, automatic backup for your computers and mobile devices

The Seagate® Backup Plus Desktop drive simplifies backup with easy-to-use tools to help protect your entire digital life—from your computers or mobile devices—locally to your drive, or into the cloud.

High-speed USB 3.0 and 2.0 connectivity offers plug-and-play functionality on your PC. The drive is formatted for Windows computers—install the provided NTFS driver for Mac® on your Mac computer, and you can use the drive interchangeably between Windows and Mac computers without reformatting.

Via the downloadable Seagate Dashboard software, you are provided with tools for local, mobile, cloud and social media backup. Run a one-click backup or schedule an automatic backup plan to protect your files in your Backup Plus portable drive at your convenience.

Install the free Seagate Mobile Backup app on an iOS or Android mobile device, and you'll be able to back up all of the pictures and videos from your device to your Seagate drive or to the cloud.
