Wireless Storage  
Data Sheet

## Go Further. Play Longer.

With 2TB of wireless storage, the LaCie Fuel™ lets you store 1000+ movies or thousands of photos, songs, and documents, and access them on your iPad, iPhone®, or Mac® devices. With up to a 10-hour battery life, the LaCie Fuel lets you enjoy content all day, without needing Internet or cables. Simply install the LaCie Media App on a mobile device in order to access files. And thanks to AirPlay® compatibility, it's even possible to stream movies<sup>1</sup> from the LaCie Fuel onto televisions via Apple TV®.

### iPad/iPhone Owner

Mobile devices have limited storage, but with the LaCie Fuel's huge capacity, you no longer have to take the time to decide which content gets synced to your devices.

### Music or Movie Connoisseur

Massive capacity lets a serious content consumer like you take all your media with you, and the LaCie Media App lets you enjoy it on your mobile device.

### Road Trips and Other Travels

The LaCie Fuel lets you share files with up to four devices, so in a car with your family or on a train with friends, you can all enjoy different content on your own devices.

<sup>1</sup> Some DRM-protected content cannot be streamed. Please verify with the content provider for any playback restrictions.
