LYVE CLOUD FOR STARTUPS

Begin. Build. Boost.

Ignite your startup with up to 1 petabyte for free.

Just getting off the ground? Building out a product portfolio? Boosting your business to meet growing demands? No matter where you're at, Lyve Cloud for Startups is here to help you succeed by providing the tools, resources, and support you need to level up.

Protect Your Data

Multi-region availability and object immutability make Lyve Cloud an ideal repository for backup storage and disaster recovery that complements your existing multicloud strategy.

Access Your Data

Crafted for 99.99 availability, durability, and reliability, Lyve Cloud enables data access without costly delays, so your data is always available when you need it.

Analyze Your Data

Lyve Cloud provides elastic storage for data intensive workloads so that you can support big data analytics and deep learning across edge, core, and cloud environments.

✓ Open for Singaporean and Israeli* startups. (*with US Entity)

✓ The number of registrants is limited.

✓ Confirmation of participate is subject to Seagate decision.
