

# Seagate Duet

CLOUD-SYNCING PORTABLE HARD  
DRIVE

Data Sheet

## **You Crave Access. You Need Backup. Get both with a hard drive that syncs to Amazon Drive.**

Because two is better than one, let's give you both. Get dual backup and access to your digital life with Seagate® Duet. The first of its kind, it's a portable drive that syncs with Amazon Drive, letting you back up, access, share and manage your files from your laptop, tablet and smartphone. Simply drag and drop files from your Mac or PC to the Seagate Duet, and they'll sync with your Amazon Drive account. Includes one free year of Amazon Drive<sup>1</sup> service for new users (US\$59.99 value).

### **Get What You Want. When You Want It.**

Slim and lightweight, it's easy to take the Seagate Duet drive with you. At a coffee shop? Just plug it into your laptop to access the files you need. On vacation and on the go? Just connect to the cloud via the Amazon Drive mobile app. Any route you choose, your files will be in both places.

### **Save Your Selfies! (and Other Stuff, Too)**

When you voyage with your pals on that epic vacation, the Amazon Drive mobile app will be there so you can back up every photo you capture. Next time you plug in the Seagate Duet drive to your laptop, those memories will be there too. Oh, the beauty of synchronization.

<sup>1</sup> Amazon Drive Unlimited Storage offer available only for new Amazon Drive customers in the U.S. New customers who purchase the drive will receive one free year of Amazon Drive Unlimited Storage, subject to promotion and product terms and conditions.
