

## Maxtor Personal Storage 3000DV

Ideal for speed-intensive applications such as editing digital video, playing games, and listening to music. The 3000DV features the Maxtor award-winning 7200 RPM hard drive—up to 56% faster than 5400RPM external hard drives.

## Maxtor Personal Storage 3000XT

With the highest capacity Maxtor offers, this is the perfect external storage solution for today's storage-hungry digital entertainment equipment. Run applications, archive digital videos, listen to music, download files, or play games, or store all your important documents.

## Maxtor Personal Storage 3000LE

Instantly add storage for your digital photos, MPEG videos, MP3 songs, games, and important electronic files. The USB 2.0 interface is up to 40 times faster than USB 1.1. The 3000LE is compatible with virtually all existing USB ports—offering connectivity for today's systems and speed for tomorrow's technology.

## Maxtor Personal Storage Products

**Need help selecting a Maxtor Personal Storage product?  
Check this handy chart to find the ideal product for your needs.**
