CONGRATULATIONS! Thank You for Your recent purchase of the SEAGATE® RESCUE Service Plan (the "Service Plan"). We hope You enjoy the added comfort and protection this Service Plan provides. By purchasing this Service Plan, You agree that these terms and conditions govern any service or benefit offered or attempted under this Service Plan. Please keep these Service Plan terms and conditions in a safe place along with the sales receipt/invoice that You received when You purchased this Service Plan and the original receipt for Your Equipment purchase (if purchased separately from this Service Plan), as You will need them to verify Your coverage at the time of service. This information will serve as a valuable reference guide and will help You determine what is covered by this Service Plan. From the day You purchase this Service Plan, the Administrator and its authorized representatives, will assist You in understanding Your Service Plan benefits.

KEY TERMS: Throughout these Service Plan terms and conditions, the words "We", "Us" and "Our" mean the party or parties obligated to provide service under this Service Plan, who is Seagate Technology, LLC, 10200 S De Anza Blvd, Cupertino, CA 95014. "You" and "Your" refer to the purchaser of the Equipment covered by this Service Plan, or to the person to whom this Service Plan was properly transferred. "Administrator" means the entity that is appointed by and/or contracted by Us to render certain data recovery services to You under this Service Plan, who is Fulcrum Analytics, Inc., P.O. Box 850, Fairfield, CT 06824, 1-800-261-9859. "Retailer" means the seller that has been authorized by Us to sell this Service Plan to You. "Service Plan Purchase Price" means the amount paid by You for this Service Plan; excluding any applicable taxes and/or fees, as evidenced on Your Service Plan sales receipt. "Equipment" means the solid state drive (SSD), hard disk drive (HDD), external hard drive or other eligible media storage device which You purchased and which stores the data that is covered by this Service Plan. Coverage is limited to a single drive or storage device per Service Plan as designated through the registration of Equipment serial number at the time of Service Plan registration. "OEM" refers to the Original Equipment Manufacturer of Your covered Equipment. "Pre-Existing Condition" means an issue that existed with Your Equipment prior to the issuance of this Service Plan. **IMPORTANT NOTE: TABLETS, MOBILE PHONES, USB MEMORY STICKS, COMPACT FLASH DEVICES AND ANY AND ALL PRE-EXISTING CONDITIONS ARE NOT ELIGIBLE FOR COVERAGE UNDER THIS SERVICE PLAN.** You may also contact the Administrator for assistance in determining whether Your media storage device is eligible for coverage.

PRODUCT ELIGIBILITY: Equipment eligible for coverage under this Service Plan must be purchased as new or factory-refurbished and manufactured for use in the United States (which at the time of purchase included a manufacturer's original or factory-refurbished warranty valid in the United States). Additionally, Equipment eligible for coverage under this Service Plan is limited; please contact Your Administrator to confirm eligibility.

In the event You inadvertently purchase a Service Plan for Equipment not eligible for coverage, We will provide You with a full refund of the Service Plan purchase price and coverage shall be deemed null and void. Accessories and/or add-on options purchased separately and not essential to the basic function of the Equipment are not eligible for coverage.

SERVICES PROVIDED: We agree to have services performed that are designed to retrieve, while minimizing the damage to, the media files and/or data on Your Equipment in the event Your Equipment fails to perform during the term of this Service Plan. YOU ACKNOWLEDGE THAT THE EQUIPMENT MAY BE DAMAGED PRIOR TO OUR RECEIPT, AND YOU FURTHER ACKNOWLEDGE THAT OUR EFFORTS TO COMPLETE THE SERVICES MAY RESULT IN FURTHER DAMAGE TO OR THE DESTRUCTION OF THE EQUIPMENT WHICH MAY VOID THE EQUIPMENT OEM WARRANTY. To the extent possible, You should back up accessible data on Your Equipment *before* submitting it for service under this Service Plan. If the damage sustained to Your original Equipment is covered by the OEM warranty, then the OEM is responsible for providing You with a replacement device. In such instances, You may have the opportunity to transfer the remaining coverage term under this Service Plan to that replacement device. **IMPORTANT: Any services performed under this Service Plan is not a guarantee that lost data will be recovered; however, all reasonable efforts will be used to recover Your data through methods further explained below.**

Under this Service Plan, Your Equipment is eligible for one (1) In-Lab Data Recovery attempt during the term of coverage and pursuant to the terms and conditions of this Service Plan. This Service Plan does not provide coverage for any of the losses set forth in the section titled "WHAT IS NOT COVERED".

IN-LAB DATA RECOVERY: You will be asked to ship Your Equipment to Our designated laboratory facility to attempt the retrieval of Your data ("In-Lab Data Recovery"). When You ship Your Equipment to the laboratory facility, You must use the original Equipment packaging or packaging that provides an equal or greater level of protection for Your Equipment to prevent any further damage to the Equipment during shipping. You are responsible for any risk of loss of the Equipment until it is received at the laboratory facility. For more information please contact the Administrator at 1-800-261-9859. We will pay the shipping costs associated with shipping Your Equipment to the laboratory facility, as well as the cost of shipping Your original Equipment and/or other data storage media containing data recovered from Your original Equipment back to You. You are eligible for a maximum of one (1) In-Lab Data Recovery attempt under this Service Plan. Upon receipt of Your original Equipment at the laboratory facility, We will take the following action(s):

- a. **RECOVERY EFFORT:** We will attempt to recover Your lost data and files.
- b. **RETURN OF RECOVERED DATA:** Your recovered data will be loaded on a media storage device and returned to You.

- i. *Media Storage Device provided by the Us:* We are responsible for procuring the appropriate media storage device at no cost to You. We, at our sole discretion, will provide the recovered data back to You on the media device of Our choice.
 - ii. *Media Storage Device provided by You:* In the event You wish to provide Us with a media storage device of Your preference, You will be responsible for procuring such storage device and shipping it to the Administrator; including any incidental costs associated with the shipment. Your preferred media storage device must be approved by the Administrator, to ensure type and capacity is appropriate for the size of data to be recovered.
 - iii. *Original Equipment Return:* Upon Your request, We will return Your original Equipment to You. NOTE: Data recovery efforts utilized during the In-Lab Data Recovery Service may render the original Equipment inoperable.
- c. **SOFTWARE INSTALLATION:** You may need to reinstall Your software to Your Equipment or Your replacement media device. Installation or re-installation of any and all software shall be Your responsibility and is not covered under this Service Plan.
 - d. **DISPOSAL OF YOUR DEFECTIVE EQUIPMENT:** Because data recovery efforts utilizing the In-Lab Data Recovery Service renders Your Equipment inoperable, Your original Equipment will be subject to secure disposal following an In-Lab Data Recovery attempt, unless You request that We return the inoperable original Equipment back to You. To the extent possible You should back up accessible data on the Equipment before shipping it to Our laboratory facility for an In-Lab Data Recovery attempt.

UNRECOVERABLE DATA: In some cases Your data may not be recoverable. In such instances, You will be entitled to reimbursement of the purchase price of this Service Plan; which may be in the form of a retail gift card, at Our sole discretion, and We shall then be discharged from any further obligations under this Service Plan (the "Unrecoverable Data Reimbursement"). The Unrecoverable Data Reimbursement shall NOT apply in instances where partial recovery of Your lost data was successful; there must be a complete loss and non-recovery of data from Your Equipment to be eligible.

WHAT TO DO IF YOUR EQUIPMENT REQUIRES SERVICE: Call the Administrator at 1-800-261-9859 and explain the problem. You will be instructed on the next steps for filing a claim under this Service Plan and for scheduling an appointment with a qualified technician to provide service under a Remote Data Recovery attempt. For faster service, please have Your dated proof of purchase (sales receipts) and Service Plan number available when You place the call. You may be required to provide a copy of Your proof of purchase for Your Service Plan and Equipment (sales receipts) at time of service. NOTE: THIS SERVICE PLAN MAY PROVIDE NO COVERAGE IF YOU MAKE UNAUTHORIZED ATTEMPTS TO RETRIEVE THE DAMAGED OR LOST DATA. Service will be provided during normal business hours and in the USA only.

TERM OF COVERAGE: Coverage under this Service Plan begins on the date of Service Plan purchase or Equipment delivery date (if later) and continues for the period of time specified on Your Service Plan sales receipt; subject to the terms and conditions stated herein.

LIMITATION OF LIABILITY:

You acknowledge upon the initiation of any services provided by Us hereunder that the Equipment, media and/or data, is now damaged and You acknowledge that Our efforts to analyze the damage, prepare for and perform the services we believe are necessary or advisable may result in the destruction of or further damage to the Equipment, media and/or data. We, for ourselves and the Administrator, hereby state and You, by submitting or permitting us access to the Equipment to perform the services described in this Service Plan, acknowledge that due to the damaged condition of Your Equipment, media and/or data, and the uncertain nature of the type and extent of such damages, We cannot and do not assume responsibility for any additional damage that may occur to Your Equipment, media and/or data during Our attempts to recover your data.

Our maximum liability in connection with all claims processed pursuant to the terms and conditions of this Service Plan shall not exceed the MSRP of the covered Equipment (the "Maximum Liability Limit") or replacement of the covered Equipment; whichever occurs first. In the event the aggregate sum of all claims processed under this Service Plan equals the MSRP of the covered Equipment or We replace Your Equipment for any reason, Our obligations under this Service Plan shall be considered fulfilled in their entirety and We shall have no further obligation to service the Equipment (original or replacement piece) under this Service Plan. In no event will We or the Administrator be liable for any damages whatsoever that are in excess of the Maximum Liability Limit, whether based on contract, tort, warranty or other legal or equitable ground, including without limitation damages for loss of data, property damage, lost time, loss of business profits, business interruption, or other pecuniary loss, or incidental, consequential or indirect damages arising from the services performed pursuant to this Service Plan. This limitation will apply even if We, the Administrator or any of our respective authorized entities, affiliates, dealers, agents, suppliers, or representatives have been advised of the possibility of such damage. By requesting the services described in this Service Plan You acknowledge that the estimated and actual fees and charges reflect this limitation of liability and allocation of risk.
