Advanced security, USB-C compatibility, file sync for your way of life

Sporting a chic, woven fabric enclosure, Seagate® Ultra Touch data secure portable storage is aimed at making file security as simple as possible. This HDD, featuring password protection with Seagate Secure™ AES-256 encryption, is compatible across USB-C and USB 3.0 for both Windows and Mac® laptops and even offers customisable backup options to suit a variety of needs and lifestyles.

- Tactile, textile industrial design fits in with modern lifestyle elements.
- Type-C compatibility for the latest laptops. Also compatible with USB 3.0.
- Secure private data with advanced password protection and 256-AES hardware encryption — the same standard used by the U.S. government and global intelligence agencies.
- Designate key folders to synchronise files across multiple devices.
- Works with PCs and Mac right out of the box — no driver installation (reformatting required for use with Time Machine).
- Includes Rescue Data Recovery Services.¹
- 1-year Mylio Create plan.²
- 4-month Adobe Creative Cloud Photography membership.³

¹ Rescue Data Recovery Services not available in all countries.
² See www.mylio.com/terms-of-service/ for applicable terms and privacy policy. Redeemable during product registration. Not available in all countries.
³ Four-month membership to Adobe Creative Photography plan is redeemable during product registration. Must redeem within one year of drive registration. Not available in China. For country list see https://adobe.ly/cc-countries. Internet connection and Adobe ID required. Available only to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy.
