Style meets storage. Sleek, easy backup for your PC, Mac and mobile devices.

The Seagate® Backup Plus Ultra Slim Portable Drive is among the thinnest and most eye-catching portable hard drives. Available in stunning gold and platinum colors, style meets storage and easily slips into your backpack along with your other essentials. At 9.6mm thin, capacity is not sacrificed with 1TB and 2TB options—bring your most important files and head out the door.

High-speed USB 3.0 and 2.0 connectivity offers plug-and-play functionality on your PC without the need of an external power supply. The drive is formatted for Windows computers—install the provided NTFS driver for Mac® driver on your Mac computer, and you can use the drive interchangeably between Windows and Mac computers without reformatting.¹

Back up your favorite files, photos and video from your PC using downloadable Seagate backup software. Run a one-click backup or schedule an automatic backup plan to protect your files in your Backup Plus portable drive at your convenience.

¹ Requires formatting for Time Machine backup
